Dear Dr. Shazlyn Milleana Shaharudin,

On behalf of the organiser, it gives me great pleasure to invite you as one of our invited speakers at **'The 5th ISM International Statistical Conference (ISM-V2021)'** that will be held from **17 to 19 August 2021, virtually**.

ISM International Statistical Conference is a flagship biennial event for the Institute of Statistics Malaysia (ISMy). This year ISM-V is hosted by the Department of Mathematical Sciences, Faculty of Science, Universiti Teknologi Malaysia (UTM), and is part of a collocated event under MyHIMS-C. The theme for ISM-V2021 is, **'Statistics in the Spotlight: Navigating the New Norm'**. The program content includes plenary sessions, forum, parallel sessions (invited and contributed speakers), and online workshops during this 3-day conference. Kindly visit our event website for information on program schedule, scope and fee structure at <https://science.utm.my/v-ism2021/>

At ISM-V, invited speakers will be presenting as virtual oral presenters in one of the slots in the parallel sessions. There will be a maximum of four speakers in each hour slot. At the end of the slot, questions can be posed to all speakers.

As an invited speaker you have the privilege to host an hour slot in the parallel session. This means that you can propose a theme for your slot session and arrange who are the speakers in your slot. If you do not wish to host a slot, we will assign you to a slot.

We really hope that you would accept this invitation by registering at this link <https://science.utm.my/v-ism2021/register-invite/>.

The abstract submission is due on **15th April 2021**.

Thank you in advance for your consideration, and we very much look forward to hearing from you.

--
