Warm greetings,

The Study Program of Statistics of Universitas Negeri Yogyakarta plans to implement a visiting professorship assignment program, we are offering an inboud visiting professor to Dr. Shazlyn Milleana Shaharudin. At this program, Dr. Shazlyn Milleana Shaharudin and Dr. Kismiantini will colaborate on teaching a Bachelor's course in Multivariate Statistics for eight online learning activities and guidance for writing international publications or online joint supervision to undergraduate students with at most four papers. These activities will be carried out in three months (October-December 2020).

Please kindly consider this offer and contact us in case you have queries. We hope that this program will benefit us and contribute to further collaboration.
Thank you very much for your kind attention.

Sincerely,
Coordinator of Statistics Study Program

Kismiantini, Ph.D.
