Dear Mr. Mou Leong Tan
Universiti Sains Malaysia

We inform you that your research program has been adopted for Kurita Overseas Research grant 2020 based on the advice of the selection committee.

Reference number : 20Pmy024-K19

Research Program : Impact of Land Use Change on Water Balance in the Muda River
Basin, Malaysia

Grant Amount(JPY) : 400,000-

Please note following terms and conditions again which you accepted at the time of application.

- a. KWEF does not provide the grant money directly to the grantee. KWEF will transfer the grant money in US dollars to a bank account of the institution which the grantee belongs. The institution must provide the bank account information that KWEF can transfer the grant money in US dollars from Japan, manage the grant money and submit the expense report to KWEF. Again, any private account, company's account related to your research, etc. cannot be accepted.
- b. The grant money should be used for the direct expenses of the research program, such as the purchase of equipment and reagent, outsourcing analysis costs, travel costs associated with fieldwork. It cannot be used for the grantee's salaries or daily allowances. If necessary, an appropriate charge for the institute overhead expenses can be taken from the grant money.

If you wish to receive a grant under the above conditions, please reply to following address by an e-mail with your reference number. We will inform you of further procedures about the remittance of the research grant.

Best regards,

General secretary,
